

HEALTH POLICY

In order to best care for our children, we have put a Health Policy in place for Summit Kids. In an effort to keep our classrooms free of illnesses we ask that you refrain from bringing your child into any Summit Kids environment if they have experienced any of the below symptoms within 24 hours.

-
- **FEVER**
 - **DIARRHEA**
 - **COMMON COLD**
(FROM ONSET THROUGH ONE WEEK)
 - **SORE THROAT**
 - **CROUP**
 - **ANY UNEXPLAINED RASH**
 - **PINK EYE OR OTHER EYE INFECTIONS**
(THESE ARE HIGHLY CONTAGIOUS. THE CHILD MUST BE ON MEDICATION FOR 24 HOURS AND EXHIBITING NO SYMPTOMS)
 - **CLOUDY OR GREEN RUNNY NOSE**
 - **PERSISTENT COUGH**
 - **ANY COMMUNICABLE DISEASE**
-

At no time should any volunteer or staff member administer any sort of medication to a child.

**THANK YOU FOR YOUR COOPERATION IN
HELPING US KEEP OUR CLASSROOMS
AT THEIR BEST!**
